*How did you use the grant funds? Please explain if the use of funds differed from the expected use.

If you submitted a budget with your application, please provide a separate column to show actual expenditures.

*Please share how the organization's communities were served by the work achieved through this funding.

*How did this funding enable you to do work or achieve outcomes that you wouldn't otherwise have been able to accomplish?

*Did you encounter any challenges in applying these funds to your activities, and if so, how did you address them?

Financial Information

Please upload the following if different from what was submitted in the application.

Please upload your most recent 990 statement.

Additional Information

Please share or upload any additional information related to this grant that has not been addressed in the above questions.
